***Hurry, this is a limited time offer. Annual Percentage Yield (APY) assumes interest is reinvested. APY is accurate as of date of publication and subject to change without notice. \$1,000 minimum to open. A Penalty will be imposed for early withdrawal, which would reduce earnings on the account. Interest is compounded daily and paid monthly. One time increase of up to 1% is tied to the movement of the 24 month posted CD rate at Community Shores Bank. At maturity, the balance of the CD will renew at the then current comparable maturity CD rate. Coupon usage will terminate at maturity of original CD.*
