

Bank Owned Properties

Thank you for your interest in our bank owned properties.

In our diligent efforts to provide exceptional service to our community and our valued customers, we have created this website with information on bank owned homes, land for sale and commercial properties. After you identify a property you are interested in, please click on the property link and contact the agent listed for each property. They will have additional information regarding your selection and be able to help you begin the process of purchasing your property.

We believe the information provided on this property website is accurate, but this website is not a representation or warranty regarding any property. Only a fully executed contract is binding on the bank.
